Poverty Simulation Workshop

April 3rd, 2017, 8:30 a.m. - 2:30 p.m.

Center for Health Education - 740 SW 9th Street, Newport

Facilitated by CoActive Connections

Register by March 24th—Bring Brown Bag or Order Box Lunch w/Registration

1 IN 5 OF COUNTY RESIDENTS CURRENTLY EXPERIENCING POVERTY.

This workshop will simulate the day to day realities of poverty. Strengthen your understanding and work alongside community members to brainstorm next steps.

Not only are simulations one of the most effective ways to learn, but you will walk away with a deeper understanding of poverty by “walking a mile” in the shoes of someone experiencing poverty.

“Without knowledge of what is affecting people, we can’t change the realities.”

“It made us see our flaws as an organization, It showed what more we could possibly do.”
Training Participant
